Biography

Dr Jeremy Hu is a Consultant with the National Healthcare Group Eye Institute (NHGEI) at Tan Tock Seng Hospital.

Dr Hu completed his undergraduate medical training at the Yong Loo Lin School of Medicine, National University of Singapore, where he graduated with Bachelor degrees in Medicine and Surgery. He was awarded the Ministry of Health Training Award for the Ophthalmology Residency program and underwent postgraduate training in Ophthalmology. He was awarded the Master of Medicine (Ophthalmology) from National University of Singapore in 2019. He is also a Fellow of the Royal College of Ophthalmologists (UK) as of 2019. He joined the Fellowship of the Academy of Medicine in 2021.

Dr Hu is active in clinical research, having presented in Ophthalmology conferences both locally and internationally, as well as published scientific papers in multiple peer-reviewed international Ophthalmology journals.
