

Louis Lim Wei Yi

Consultant, Ophthalmology, Woodlands Hospital,
NHG Eye Institute

Research Interests:

- Ocular/Retinal Imaging
- Retinal diseases

Email: Louis.lim@nhghealth.com.sg

Biography

Dr Louis has a keen interest in research for which he has completed the Clinician-Scientist Preparatory Program (CSPP). In addition to presenting in numerous local and overseas research conferences and publishing multiple papers in peer-reviewed journals, he has also consistently won multiple research awards in the Singapore Health and Biomedical Congress (SHBC) in which he has notably won the Young Investigator Gold award in 2016 and the Clinician Investigator Bronze award from 2016 to 2019. He also received multiple research grants with his main research interests including diabetic retinopathy, polypoidal choroidal vasculopathy and age-related macular degeneration.
